

November 6, 2019

To Deans, Administrative Managers

Director of Information Technology Center
Kensaku Mori

Notice : Temporary Unavailability of Nagoya University Campus Network
and University-Wide Firewall Port Open Request

Thank you for your continuous cooperation to our effort improving information security of Nagoya University.

We introduced the university-wide firewall system in 2015. For the improvement of information security and the faster internet accesses, we will update our firewall system. This update is a preliminary work for UTM installation reported at the 62nd Information Security Organization Council held in September.

By this work, the Internet access becomes temporary unavailable. And furthermore, the firewall port open request are unavailable (grant procedure stops). Please inform the people concerned.

- Date and Time:

Thursday, November 28, 2019, 19:00-19:30

- The influences:

The Internet access is unavailable for up to 20 minutes within the above period.
(*) Services using SINET L2VPN do not stop.

- Note:

For update preparation, the firewall port open request are unavailable between November 21 and November 28 (grant procedure stops).

<p>Inquiries: Ishihara (Mr.), Iwase (Mr.), Kawase (Mr.) Information Infrastructure Division, Information & Communications Extension: (+Higashiyama 85) 4373, 4374, 4375 E-mail: fw-admin@icts.nagoya-u.ac.jp</p>
