

July 21, 2021

To Deans

Director, Information Technology Center  
Kensaku Mori

Notice : NICE Maintenance

Thank you for your continuous cooperation to our effort operating university-wide information network of Nagoya University (called NICE).

We will perform maintenance of the university-wide UTM system and border/super-core switches. Internet/internal accesses become temporary unavailable because of this maintenance. Details are as follows:

**(1) UTM replacement**

Date and Time: Tuesday, August 17, 2021, 19:00-20:00

Influences: The Internet connection stops for 15 minutes (once in above time).

**(2) Firmware update of border switch**

Date and Time: Thursday, August 19, 2021, ~~19:00-21:00~~ 23:00~25:00 **!!changed!!**

Influences: The Internet connection stops for 30 minutes (twice in above time).

**(3) Super-core switch 1 reboot**

Date and Time: Tuesday, August 24, 2021, 19:00-20:00

Influences: Both the Internet connection and following internal services connection stop for 30 minutes (once in above time)

- NUWNET
- Secure NICE
- University-wide VPN
- Jimu LAN (Administration system network)
- Network connection from following buildings: buildings of School of Agricultural Sciences, Environmental Studies Building, Common Building of Graduate School of Environmental Studies, Engineering and Science Building (E and S Building), Engineering Building #5, National Innovation Complex (NIC), Disaster Mitigation Research Center
